MILES FOR MILLIONS MARCH SATURDAY

Plans are complete and Drayton Valley's annual Miles for Millions March will take place on Saturday, May 9th. Organizers and marchers are hopeful of a pleasant day for the event.

Marchers are requested to be at the Centennial Civic Centre at 7:00 a.m. for registration with the march getting underway immediately after. Complete rules are printed on page six of this week's paper -- marchers are asked to read them and then clip for later reference.

The march will follow a different route this year. Veterans will probably breathe a sign of relief at missing the climb through the north coulee at the end of the 25 mile grind.

Route map printed at the top of this page shows the front-end of the 25 mile trek following the trail of previous marches until about the midway point with the course taking marchers to the Pembina River Park near Easyford. The march then follows a route east and then south to Drayton Valley without reaching or crossing Highway 57.

About fifteen interested persons were present at a Miles for Millions meeting in the Council Chambers last Friday evening and heard a review of previous marches together with the financial picture.

Allocation of march funds was discussed at some length and it was decided to make changes this year. Chief benefactor this year will be the O.O.R.P. Senior Citizen Home fund receiving 60 percent of the total raised. Twenty percent will go to OXFAM of Canada and the remaining twenty percent to the Indian and Eskimo Association of Alberta.

The O.O.R.P., who announced plans recently to go ahead with a senior citizen home, had delegates present to support their request for consideration in allocation of funds.

The O.O.R.P. hopes to start with a home consisting of separate units for married couples and some singles and proceed from that point as required in the future. The meeting approved the O.O.R.P. request, which it was noted, is in keeping with the intent of Miles for Millions.

The meeting heard of objections to the amount ($3,699) remaining in the Drayton Valley Emergency Fund. MM Committee members pointed out that during the past two years almost $1,600 had been paid out of the fund for local emergency situations. It was decided to leave the fund intact but not to add anything further this year.

The matter of replacing present members of the committee was introduced but it was decided to table this matter to another general meeting after this year's march takes place. The hope was expressed by committee members that local organizations would consider appointing representatives to give the board a good cross-section of the community.

The meeting tendered a vote of thanks to present members of the committee who have served since the organization of the first MM march two years ago.

All that remains of the garage, school bus and truck following last Thursday night's fire in Tomahawk, is shown in the photo above.

School Bus, Truck Lost in Fire Thursday at Tomahawk

A fire in the early hours of Thursday, April 30th destroyed a garage, a 48-passenger school bus and a truck at the home of Rudolph Reich in Tomahawk. A large number of tools and other articles stored in the garage were also lost.

The Tomahawk County Fire Department responded to the alarm at 2:00 a.m. but were unable to extinguish the fire which was already well established.

Entwistle and Wabamun departments were called to help and arrived within 25 minutes and the three forces concentrated their efforts on saving the Reich home and another across the street.

Fortunately, the wind was blowing away from the Reich home alongside the garage, but created a problem across the street where sparks threatened the Richard Reich residence, and at one point had ignited the shingles.

Cause of the fire has not been determined.

L. Davidson Wins $500 Bingo Prize

A good crowd was present in the Centennial Civic Centre last Thursday evening for the Drayton Valley Lions Club $1,000 bingo.

Big winner of the evening was Mr. Louis Davidson of Drayton Valley who won the major prize of $500.00.

Other prize winners were: Mrs. Mildred Poherliak, $50; Sarah Hemberg, $50; Mrs. Steirer, Drayton Valley, $50; Mrs. Joyce Stec, Buck Creek, $50; Florence Elliott, Lodgepole. $100; Henry Bearhead, Darwell, $50; Joan Cotton, Drayton Valley, $50; Camille Nelson, Lodgepole, $50; Mrs. A. Zubot, Drayton Valley, $50; and Mr. Davidson, $500.

Lions Club President Ritchie Woods (L) presents Mr. Louis Davidson with the $500 top prize in last Thursday's Lions Bingo.

SENIOR CITIZENS HOME FUND RECEIVES BOOST

The O.O.R.P. Senior Citizens Home fund received a boost recently with a contribution of $500 by the Drayton Valley Senior Citizens Club.

The fund will be swelled by marchers in the Miles for Millions Saturday with the fund to recieve 60 percent of the revenue.

The Elks Club has volunteered Earl Kelly as a march candidate and he already has a considerable sum riding on his hiking ability. Bill Mayhew will collect blisters and dollars as the O.O.R.P. athlete.

Only dumb clucks are afraid to be called "chicken."

Chamber Needs New President

General meeting of Drayton Valley and District Chamber of Commerce will be held at noon on Thursday, May 7th in the Cardium Room.

A major item on the agenda will be the election of a president to replace Mr. Bob Cowan who has been forced to resign because of other committments.

New Mayor At Evansburg

At a meeting of the Evansburg Council on April 18th, Mr. G. Dompnier was named mayor to replace Mr. John Keast who resigned recently.

Mr. Garry Lorenz was elected to Council by Acclamation and the present council now consists of Mayor Dompnier and Councillors C. Bjornstad, F. Croft, J. Lauer and G. Lorenz.

Elected to Lodge Post

Mr. Bob Cowan of Drayton Valley was elected District Deputy Grand Exalted Ruler of B.P.O.E. District 13 at a meeting in Entwistle Saturday, May 2nd.

District 13 includes lodges between Gainford and Jasper, and Drayton Valley.

KEEPHILLS NEWS

A fire in the school yard recently, when one of the school children dropped a lighted match in dry grass, caused quite a comotion. All the children plus teachers soon got it out. Some of the girls got their hair singed. They had had a fire drill just before the incident, so all put their training into practice. Several gathered a few days later to burn around the Keephills Hall to protect it in case of another threat from runaway fires.

The ice stayed in the river here much later than usual. Possibly due to low water, it did not break and move on until April 28th.

Mrs. Mabel Bryant has been staying at her son Gordon's home in Drayton Valley this past week.

Parties held by the birthday club in April were at Flora Porter's and Sharon Moger's.

Ken Porter joined other men from Red Deer and other points interested in farming, on a tour to Montana, where they were snowbound for a time, and unable to make the tour as scheduled.

DEMAND FOR FCC LOANS DECLINES

Fewer farmers obtained long-term mortgage loans from the Farm Credit Corporation during the fiscal year ended March 31, 1970, than during the previous year. The FCC approved 5,829 mortgage loans amounting to $160,466,000 during the 1969-70 period. This compared with 9,159 loans valued at $208,-330,500 during the preceding years.

Two Attend Socred Spring Conference

Mayor Tom Johnson and Mr. Dale Cartwright of Drayton Valley, attended the Premier's Spring Conference at the Macdonald Hotel in Edmonton on May 1st and 2nd.

The conference dealt with the topics of Agriculture, Inflation & Taxation, Pollution, and Urbanization. Speakers were, Travis Manning, Chairman, Department of Agricultural Economics & Rural Sociology, University of Alberta; Dr. R.A. Pendergast, Professor of Economics, University of Alberta; Christian De Laet, General Secretary of Resource Ministers; and Dr. Michael Chevalier, Director of the Urban Institute, University of Montreal.

Following the general conference, an in camera session was held for members of the Alberta Social Credit League to discuss matters pertinent to League Policy and direction for the next ensuing months.

The general purpose of the Premier's Spring Conference was to inform League Constituency Executive members on various facets of the problems under discussion, and to obtain their response and opinions on these various subjects so as to assist the Social Credit Government and caucus in establishing policy in these regards. At the conclusion of the conference, Premier Strom stated that he proposed to make such a conference an annual event.

LETTERS TO THE EDITOR

Editor,
The Western Review

Dear Sir:

Just recently it has been announced that the Committee which is studying the question of an increase in salaries of members of Parliament is inviting the public to write to them and give their opinions on the subject.

If most people feel as strongly as I do about this matter the Committee will get many thousands of letters, and none of them in favor of any increase.

I will list a few of the reasons why I think no increase should be given.

1. Most members are already overpaid for what they do. The $18,000 per year of which $6000 is tax free is equal to about $21,000. Free transportation by train or air amounts to thousands more. There is also a very generous pension plan for members after only six years service. Truly our M.P.'s have been very good to themselves.
2. Why raise the pay of members for work they don't do? No other business would. In spite of Canada's generosity to her M.P.'s, the record of absenteeism from their duties at Ottawa is a scandal and a disgrace. Outside of a faithful minority (mainly of the minor parties) the attendance at Ottawa is no better than it was in the days when an M.P. received $4000 and one expense paid trip to Ottawa per year.
3. This is no time to raise the cost of Parliament. On every hand all classes of citizens are urged to "exercise restraint", "flight inflation" etc. I am amazed that the government would even consider an increase at this time. Why don't they practice what they preach?
4. No increase in necessary. At every election there are lots of Candidates for the job of M.P. The argument that higher pay brings out a better quality of members has never proved out in practice. On the average we have no better members in Parliament today than when the pay was $4000. In fact the so-called "Ginger Group" of the "twenties" has never been equalled for ability or dedication.
5. An increase now would be a breach of contract. The present Parliament was elected on the present rates. The members willingly took the job at those rates. They have now no moral right to alter their contract. Any increase should not take effect until after another election.
6. Any increase in salaries will include the Senate. Already we waste millions each year on this undemocratic and near useless vestige of a bygone age. To increase this waste would be a scandal at any time, and especially so at a time of so-called "Restraint".
7. Parliament has a poor image with the public. Many people regard their members as a bunch of selfish grabbers whose main interest is lining their own pockets.

An increase in salaries at this time would prove this point to the general public and do irreparable damage to the cause of democracy in Canada.

In conclusion I would urge all who agree with me to write to the Committee and state their views. Address letters to "Advisory Committee on Parliamentary Salaries", No. 2 Rideau St., Ottawa. Letters must reach the committee not later than May 15th.

This is our chance to head off an increase. Be sure and act now.

Yours truly,
Henry Young,
Millet, Alberta.

FARMERS STILL MANAGE CHUCKLE DESPITE CONDITIONS

We're always impressed with the way Prairie farmers traditionally have found a way to wring a chuckle or two out of the grimmest situations they find themselves in. Maybe history will show that the dirty thirties was productive of more good jokes out of the Prairie farming country than any other period since we ran the buffalo off the plains. And maybe the period we're going through right now will be in a like category.

Reason for the above speculation will be seen in the poem we got from Mrs. Clifford Gosnell, of Crystal City, Manitoba, the other day. Here it is - see what you think.

"My hair's turning gray and I'm mighty upset / For we haven't been able to sell our grain yet / The Wheat Board sends sympathy and some consolation / But that won't help us in our sheer desperation / Now you all know the story of the thirties, I'm sure / When the people were desperate and farmers were poor/ The wind and the dust storms made everything black, / Including the future, as I take a look back./ Things got tougher and tougher, you've all heard it said/ And the farmer in debt, right over his head./ With his budget reduced (of that there's no doubt)/ He took his old Ford, threw the motor right out, / A pole and a hitch and two horses put on / And in his Bennett buggy went riding along/ We're now in the seventies, things look as grim / And we farmers all know it's just sink or swim; / My car's out of gas and horses I've none;/ I'm no good at walking - it's really no fun./ Of course getting around there seems little hope,/ So I'll throw out the motor and put on a rope./ My shoulders will lurch and my tongue will be draggin' / But I'll pull my family to church in my new Trudeau wagon!"

You and I Could Help Save Confederation

Quebec voters indicated last week that the majority of them still believe Confederation will work and are prepared to hang in with the rest of Canada. We should note with concern, however, that almost twenty-five percent voted in favor of separatism.

It appears that Canada has another four years to convince Quebec that we want them as equal partners. We wouldn't suggest that we should now bend over backwards meeting Quebec's demands -- but we should certainly be attempting to solve the economic ills plaguing the province. At the same time, the Maritime provinces have more than their share of problems that should also get federal attention.

The next four years could also be utilized to the benefit of east and west if the man-in-the-street would take a good look at other parts of the nation.

To accomplish this we would suggest that service clubs embark on an adult exchange program. The country couldn't help but benefit if people from the west visited for a week in Quebec or the Maritimes as guests of families there, and then returned the favor to visitors from those provinces.

Service clubs would act only as clearing agents by paving the way through clubs of their own affiliation in the eastern provinces. Travellers would pay their own way and then provide accomodation for a visiting family.

Grass root visits between east and west might do more for Canada in the next four years than the last 100 years of wrangling by politicians.

Home Fund to Benefit From Saturday March

Marchers in this year's Miles for Millions hike on Saturday will be helping causes across the world and right at home in Drayton Valley.

The award of sixty percent of the pledged total to the O.O.R.P. Senior Citizens Home Fund should agree with local residents, some of whom have protested allocation of funds in the past. We believe the O.O.R.P. fund is a worthy recipient of this share and should be in a considerably better financial position following Saturday's march.

We believe the march committee is justified in its endeavour to keep within the original intent of the undertaking -- helping the starving victims of circumstances in countries less fortunate than our own. The Senior Citizen's Home Fund, as was pointed out at Friday's M.M. meeting, comes within the scope of providing assistance to people in need and is justified as a recipient.

However, we would agree with the march committee, in its effort to keep march funds directed largely toward the hapless victims of fate whose plight prompted the first Canadians to walk in their cause. It would be most unfortunate if we allowed this noble gesture by Canadians to become simply a means of raising funds for local recreation or sports activities that should be supported by participants or parents.

All your spring farm needs are available in Drayton Valley

Alcoholics Are Not Skidrow Types

Happy faces, rapt attention, full stomaches, laughter and dancing feet.

These words describe the mood of those in attendance at Drayton Valley's A.A. second annual "Roundup" held in the Legion Hall.

Mayor Tom Johnson welcomed over 100 visitors and friends and started the two day conference, with an interesting talk.

Dr. Lewis spoke to the banquet meeting and quoted from the stories included in the book "Games People Play". Many of the audience stated later that they could identify with his talk and expressed appreciation at his kindness in attending with his wife.

Rev. Kemp and his wife represented the clergy and he spoke on the spiritual aspects and the need for a christian approach to life.

Constable Bodham drew attention to alcohol and it's relationship to law and he related the high percentage of deaths and accidents to the abuse of alcohol. He represented the R.C.M.P. well. Speaking clearly and taking a good stance he drew lots of laughter with his final comment "Thos e are my 404 words".

George Strachan was main speaker stated that the average alcoholic was 42, married, owned a home, and had a car. He deplored the use of skid row as a label for alcoholics.

Stating that alcoholism was the third largest killer in North America. Further stating that if all the side effects of its abuse were put together it would be the first on the list of causes of death.

He pointed out it was an illness and that society tended to put the sufferer down and discussed the need to involve family in treatment.

The spiritual needs were carried throughout all phases of recovery.

Mr. Strachan received a standing ovation from an enthusiastic audience.

A dance followed the banquet and the "Oil Tones" kept many happy people dancing 'til after midnight.

Sunday brought with it a larger crowd for breakfast and further A.A. meetings. With speakers from many points.

The afternoon public meeting heard Pat S. and his wife Joyce speak as a man and wife team.

Pat told of learning of A.A. in prison and of his amazing recovery to a useful and needed member of society.

Joyce explained the role of wife and mother to the recovering alcoholic and told of the value of Al-Anon in her life and in the life of the family as a unit.

Danny S. gave a talk: "What I used to be like, what happened and what I am like now. He kept everyone in stitches with humorous anecdotes. But through it all rang the sincerity displayed in all the talks.

W.I. Convenor Address Group

The April meeting of the W.I. was held at the home of Mrs. Mary Burrows with 7 members and 2 visitors present.

Mrs. Robert Holt, the Constituency Convener from Sangudo was present. She explained to the newer members what the W.I. is and the work of the organization. She then had a contest on the W.I. which was very interesting.

A tablecloth was passed around for each member to sign her name on. This cloth will be raffled off on May 6th at the Constituency Conference. Mrs. Edmunds will attend this conference which is being held in Winterburn this year.

The hostess Mrs. Burrows served a delicious lunch. The May meeting will be held at Mrs. Gordon's in her suite in the hotel. Any new members or visitors are welcome to attend.

Don't forget out annual plant and bake sale on May 23rd.

PARKCOURT NEWS

Now that spring is really here we see nearly all the farmers making various preparations to get back on the land. All are cleaning seed, preparing machinery, hauling fertilizer etc., and a few hardy people have got out on the land for the first of the spring work. We believe Mr. Delbert Farrell had the distinction of being first on the land this year. Due to the poor harvesting conditions there are several farmers busy taking off last years crops with their combines. The women are busy with baby chicks and starting their indoor gardens.

Mr. Pete Prylowski moved his cat' to Otto Weists where Otto is getting the ground prepared for some new buildings.

Mr. and Mrs. Kurt Fausak made a long weekend trip to visit friends at Foremost. They returned with a load of seed grain.

Mr. Albert Tuftin is still in hospital but we hope he will be back among us before too long.

Miss Julia Semenyna is home from work for a week.

EVANSBURG NEWS

This week, Grade IX students have come to the end of their worries as exam results have now been announced to the students. All the worries left to them now are the June tests coming up.

The Students' Union held a dance in the gymnasium auditorium last week with a fair crowd attending.

The members of the Historical Society held their regular meeting on the 22nd. It was decided to proceed with improvements to the building as has been decided at a previous meeting.

The Pembina District Scout Council held its regular meeting in the meeting room of the firehall on the 23rd. Final details for the Scout Camporee to be held the last part of May were all ironed out. Friends and anyone interested in Scouting are asked to note that they will be welcomed to the Scout Camp at Lake Isle on the last day of the camp.

Visitors at the home of Mr. and Mrs. McGowan during the last few weekends were Mr. and Mrs. Kirshman, friends of Mr. and Mrs. McGowan; Mr. and Mrs. Ranchler, Mr. and Mrs. Kirshman's daughter and son-in-law. Mr. and Mrs. Kirshman and Mr. and Mrs. Ranchler all come from Castor, Alberta.

Also visiting at the McGowan home were Bud and Louise McGowan and Ted and Anita McGowan all from Calgary. Bud and Ted are Mr. and Mrs. McGowan's sons.

Celebrating birthdays last week were Mr. and Mrs. H.A. (Bert and Evelyn) Hutchinson. To celebrate, Mr. and Mrs. Hutchinson visited their daughter and son-in-law Mr. and Mrs. G.R. Getson Jr. of Chip Lake.

The Annual Cub, Scout and Parent supper was held on the 23rd at the Legion Hall. This was a buffet style meal for the boys and their parents. Present to say grace was Father Gartner of Evansburg and chairing the event was Group Committee Chairman Mr. N. Aspeslet. After the meal Mr. Aspeslet introduced head table guests, who were for the most part members of the Pembina Scout Council. Kinsmen president was then presented with the chater seal for another year as Kinsmen sponsoring of the Cubs and Scouts. District Cubmaster, Jack McLean then spoke a few words on behalf of the District Council, also he urged the boys to keep on collecting used stamps. He went on to explain what the stamps are used for by disabled Scouts.

Guest speaker for the evening was then introduced. He was Mr. Don Smith, former Scout Master for the 1st Pembina Valley Troop and now Deputy Commissioner for the central area in scouting. Mr. Smith spoke on the highlights of Baden Powell's life and how these incidents influenced his thinking about the forming of the group.

After the supper and speakers four short films were shown to the boys and interested parents. These films were about wildlife and were enjoyed by the youngsters.

The members of the Group Committee would like to extend thanks to everyone who helped with the evening's project.

Things to do this week end are the talent night to attend at the high school on Friday, May 8th, as well as the VE day celebrations at the Legion Hall on the same night.

Don't forget the UCW tea on Saturday, May 9th at the church basement.

ment of your building plans, and some scheduling of tender dates in order to obviate the necessity of short term borrowing to meet progress payments during the year.

In arriving at your apportionment of debenture funds, the prime consideration has been for conditions associated with the increased number of pupils, and providing construction where at present there is no available space.

Where the amount of money available in 1970 is not sufficient to meet the total estimated cost of the current building program, it is expected that a further allocation will be made in 1971 for projects tendered in 1970."

Yours truly,

It was moved and carried that all School Committee members, the Superintendent of Schools, Assistant Superintendent, Secretary-Treasurer and Assistant Secretary-Treasurer be authorized to attend the School Secretaries Short Course in Banff on June 11th to June 13th and that those driving their cars be allowed $46 for transportation costs.

It was moved and carried that the matter of loaded vehicles crossing sidewalks at the construction site in Spruce Grové be referred to Mrs. Elizabeth Howery and Mr. L.N. Miller for attention and with power to act.

It was moved and carried that an easement, just inside and parallel to the Northwestern Utilities easement along the east side of the school site in Broxton Park in Spruce Grove be granted to Alberta Government Telephones so that they can bury their cable.

The meeting re-assembled after lunch at 1:05 p.m. with everybody present except Mr. R. Lent and Mr. W.G. Wilson.

It was moved and carried that the Junior High Industrial Arts Building in Stony Plain be partitioned and renovated as recommended by Mr. M. Goerzen and Mr. E.W. Hillyer.

Mr. E.W. Hillyer presented the following report to the School Committee:-

1. The alteration costs of setting up three classrooms and additional washrooms in the Junior High Industrial Arts Shop in Stony Plain will be approximately $9,200.

2. Truck Requirements -- The maintenance crew require a 1-ton Stake Truck for moving bulky equipment from School to School. If a suitable truck could be purchased with dual wheels and a hoist, it could be kept as a pool truck serving the Recreation Department, the Public Works Department and the Maintenance Department as required.

3. Dead storage for School Desks and Equipment. With the lack of space to accept deliveries from the manufacturer and the storage of on-hand equipment, I would like permission to obtain the use of a Curling Rink or other suitable storage area.

It was moved and carried that a larger truck be hired if and when necessary to move bulky equipment.

It was moved and carried that Mr. E.W. Hillyer be authorized to rent space for equipment storage if and when necessary.

PAYMENT FOR DRAYTON VALLEY SCHOOL SITE

It was moved and carried that the balance of payment for the Drayton Valley School site be paid to the County solicitors in trust and that they be authorized to release an interim payment to Mr. Lyle Beckett of Drayton Valley if they deem it advisable to do so.

It was moved and carried that Rev. Harry Steele and Mr. Neil McDowell be delegated to bring in a Department official and present a concrete proposal for Social Preventative Services.

STUDENTS' UNION COUNCIL REQUESTS

The following report on Students' Union Council requests was presented to the School Committee:-

"The Committee, Chaired by Mr. Henry Toews and consisting of Mrs. A.C. Kritzinger, Mr. George Mann, Mr. Ivan Vowk and A.W. Boychuk, reviewed the requests presented by the Councils of the High School Students and wishes to recommend the following changes in allowances to become effective September 1, 1970:-

1. Transportation Allowances

(a) High Schools - for Sports Trips Basic for each High School $500. A further per pupil allowance as follows: Stony Plain $1.50 per pupil; Seba Beach $1.75 per pupil; Drayton Valley $2.00 per pupil.

The above differential is to compensate for the distance factor involved.

(b) Junior High Schools - for Inter County Sports. A basic allowance of $50 per school plus 50¢ per pupil enrolled in Grades 7 to 9, inclusive. In the event that this allowance for Junior High School is not spent on transportation the money may be spent on an approved Phys. Ed. Program (e.g. swimming, curling) or on physical education equipment.

(c) Educational Trips - To be authorized through the office of the Superintendent of Schools and not to be charged against the School concerned.

It is understood that the new allowances are to replace, in total, the old allowances for special trips and physical education programs. It is recommended that the above allowances be calculated on the September enrolments and be given to the Schools in 2 equal annual payments, one in September and one in January. However, at the end of each school year, the schools would be required to submit an accounting showing how the funds were spent.

2. The Committee recommend no change in the present policy with regards to smoking.

3. The Committee further recommends that a joint banquet be held with the Councils of the 3 Students' Unions sometimes in late May or early June. It was suggested that it might be desireable to hold this on a Saturday and probably at the Lake Isle Children's Camp if satisfactory arrangements could be made."

It was moved and carried that the foregoing report and recommendations of the committee be accepted and that they be authorized to plan the proposed banquet.

It was moved and carried that the following addendum to the 1968-69 salary agreement be signed: ADDENDUM TO 1968-69 COLLECTIVE AGREEMENT BETWEEN The School Committee of the County of Parkland No. 31 AND The Alberta Teachers' Association - Elementary Consultant shall be paid $1,500.00 above placement on Grid.

A brief report was given on the Seminar on School Budgeting held in St. Albert on April 19th to April 21st.

It was moved and carried that it be recommended to County Council that the office accounting be set up in such a manner that a financial statement may be presented to the School Committee each month.

It was moved and carried that the old washing machine in the apartment in Drayton Valley be sold to Mrs. Elaine J. Koebernick and Mrs. E.M. McDonald for $1.00.

Regular Meeting County Council

(Cont. from Page 9)

The Public Works Manager submitted the following recommendations concerning the placement of power poles in rural subdivisions:-

1. That under normal circumstances where no topography or road construction backcuts present a problem to the Power Company, the power poles shall be placed two feet on the right-of-way.
2. Where the registered right-of-way is 100 feet in width and topography and road backcuts present structural placement problems, the Power Company may set their structures no closer than 30 feet from the centre line of the road or one foot in the ditch line from the toe of the backcut.

Report and recommendations accepted.

RECREATIONAL CAPITAL FACILITIES

It was agreed to request the Regional Recreation Council to prepare a priority list of recreational capital facilities.

Request for grant to recreational facility was received from the Drayton Valley Ski Club. It was agreed to recommend to the Regional Recreation Council that this request be placed on the recreational capital facilities priority list.

It was agreed that the existing office hours be retained.

TENDERS - OLD MUNICIPAL OFFICE BUILDING & LAND

One tender was received for purchase of the old Municipal Office property for the sum of $8,550.00.

It was agreed that this tender be not accepted for the reason that it is too low.

It was agreed that the old office building be offered for demolition and removal from the property.

It was agreed to request installation of a street light in front of the community hall in Gainford.

It was agreed to employ Mr. Vince Mickel as attendant of the Lake Isle Park for the summer of 1970 at a salary of $65 per month.

WATER RESOURCES SURVEY

It was agreed to request the Department of Water Resources to do a drainage study and survey in townships 51-28-4 and part of township 51-1-5/

It was agreed to enter into an agreement with the owner of the SW 12-51-1-5 to authorize improvements to a drainage ditch on this quarter to improve drainage in the area.

Messrs. M. Hooimeyer and C. Veldvamp of Edmonton were present at the meeting to appeal the decision of the Development Control Officer to disallow construction of a private school in Mooncrest Park.

It was agreed to uphold the decision of the Development Control Officer due to objections received from residents in the area, and request that he assist the developers in obtaining another site for the school.

Tenders as called for the purchase of trucks were received from seven tenderers. It was agreed to request the Shop Committee to check the tenders and submit a recommendation to Council.

It was agreed to cancel the sum of $38.68 from the 1969 tax levy with respect to Lot 11, Block 2, Plan 6116K.S., Kenglened for the reason that the property was wrongly assessed.

The meeting continued on Thursday, April 30th.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Mr. L. Reesor of Steel Brothers (Canada) Ltd. and A. Litke of Rex Underwood Ltd. were present at the meeting in connection with the maintenance of the Lake Eden Road.

It was agreed that meetings be held on the Tuesday following the second Monday of each month for the purpose of discussing Public Works.

RECREATION BUDGET

It was agreed to stay with the previous decision of accepting the Regional Recreation Budget based on one and one half (1½) Mills on the equalized assessment.

The entire afternoon was devoted to the Estimates of Revenue Expenditure for 1970.

Summary of Regular Meeting Regional Recreation Council

Minutes of the regular meeting of the Parkland Regional Recreation Council, held on Monday, April 20th.

Members present were Messrs. Miller, Gylander, Lent, Hennig and Fuhr. Staff present were Mr. C. Armstrong, Mrs. L. Holgersen Mrs. J. Cross, Mrs. M. Ivan. Also attending were the Mayor and members of the Stony Plain Town Council, the Spruce Grove Town Council, members of the County Council; Mr. Darwin Park, District Youth Representative, Mr. R. Akins and Mr. Stemmer of the Golden Age Club.

GOLDEN AGE CLUB

Mr. Stemmer presented a request to Council for assistance to their club. It was agreed that the club was being assisted by the Town, the Elks and by the Regional Council at present. The Town of Stony Plain informed the meeting that they would pay the utilities expenses on the Elks Hall which are incurred by the Golden Age Club.

SUPERINTENDENT'S REPORT

Mr. Armstrong presented his report in which he commented on the following items: a) Provincial Hockey Study Committee b) A.R.P.A. Conference ; c) New budget meeting; d) Duffield Indian Reserve; e) School Rental Policy; f) Ball Program; g) Leadership Development.

Mr. Miller read to the meeting letters written between Mr. Armstrong and the School Committee concerning school rental fees, and then informed those present of the reasons for the School Committee's decision not to change the fee structure now in effect.

Mr. Armstrong asked for delegates from the Council to attend the Alberta Recreation and Parks Association Conference.

It was moved and carried that one member of the Recreation Council be authorized to attend this conference.

PROGRAM DIRECTORS REPORT

Mrs. Holgersen informed Council of plans to make materials and equipment available for the convenience of arts and crafts instructors. Regularly scheduled times for kiln firing, glazing, etc., will be established.

She reported on plans to make film available to communities as a department service, which came about as a result of the Projectionist Courses held recently in Stony Plain and Entwistle.

She requested permission to attend, as a resource person, a course sponsored by the Department of Agriculture for Home Economists at Fairview and Olds.

It was moved and carried that Mrs. Holgersen be authorized to attend the Home Economists Workshop at Olds and Fairview.

BUDGET DISCUSSION

Dr. Kritzinger, of the Town of Stony Plain, informed the meeting of the Town's position: that they would like two mills to be the contribution to the Recreation Budget for 1970. Reeve Les Miller explained the County Council's stand; that they would not contribute more than 1½ mill, in some detail. Mr. Harlton of Spruce Grove, and Mr. Gylander of Entwistle informed the meeting that their towns approve of the two mill contribution.

After much discussion revolving around facility maintenance; community use of schools, formation of a County Recreation Board, and the whole philosophy of the co-operative agreement between the towns and the County, it was agreed that a meeting be held with all County Councillors attending, and councillors of the Town of Stony Plain; with an invitation to the other governing authorities to attend. Meeting to be held April 28th at the County Office.

Mr. Lent presented a report on the Recreation Board Workshop which he, Mr. Mann and Mr. Hennig attended.

CAPITAL GRANT

A letter from County Council, concerning application for Capital Grant this year was read to Councillors. It was agreed to look into the use of County census figures, if the Federal census figures cannot be used.

Jerry Toews (L) of Big Country Machinery is shown here receiving an award for completing an extensive course in fertilizer and soil science conducted recently by Sherrett Gordon. Sherrett Sales Supervisor Larry Laird makes the presentation.

For Information

COUNTY OF PARKLAND No. 31

NOTICE OF INTENTION TO LEASE PORTIONS OF HIGHWAY

AS HEREAFTER DESCRIBED

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, Notice Is Hereby Given of the intention of Council to pass a By-law to close: All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for the North Alberta Land Registration District described as follows:

The road allowance between the north west quarter of section 15 and the north east quarter of section 16 and between the south east quarter of section 21 and the south west quarter of section 22 in township 53, range 1, west of the 5th meridian.
Reserving Thereout all Mines and Minerals.

Plans showing the location of the said highway may be inspected and information obtained in the County of Parkland Office during the regular office hours, Monday to Friday, inclusive until 5:00 o'clock Friday, 22nd day of May, A.D. 1970.

Any person who claims that his land will be injuriously affected by the passing of the said By-law and petitions to be hear heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain, by not later than 5:00 o'clock p.m. on Friday, 22nd day of May, 1970.

And Further Take Notice that at its meeting to be held in the council Chambers, at 10:00 o'clock a.m. on Monday, 25th day of May, 1970 or so soon thereafter as the matter can be conveniently dealt with, the Council will afford an opportunity to be heard to any person by himself or his agent who claims that his land will be injuriously affected by the passing of the said By-law, who has petitioned to be heard as aforesaid and who appears at the said meeting.

In case the meeting does not take place on the 25th day of May, 1970, then at the first meeting of Council to be held subsequently thereto, the Council will afford any person by himself or his agent who has petitioned to be heard as aforesaid an opportunity to be heard at the subsequent meeting.

DATED at Stony Plain, Alberta, this 22nd day of April, 1970

O.W. SCHUSTER,
Secretary-Treasurer.

GRANT NOTLEY

Grant Notley Speaks at N.D.P. Meeting Here

Grant Notley of the Alberta New Democratic Party addressed a meeting at Drayton Valley April 21st. Mr. Notley, Provincial Leader, spoke on many topics concerning this area and the Province to about 65 people present.

The Farmers' plight is desperate, due to falling prices and poor crops. A slowdown in agriculture will affect our whole economy, Mr. Notley stated. The N.D.P. must get on with the job of helping the farmer through the crisis and help to preserve rural life and the Family Farm. Mr. Notley also pointed out that if farms become the property of corporations, food prices will rise.

Alberta is the only province west of New Brunswick that does not have publicly owned power. The New Democratic Party strongly favors such public ownership.

The New Democratic Party favors a premium free Medicare Plan to be financed from general revenue. Most of Canada opt for this kind of plan and Alberta should follow suit.

The small business man has to contend with rising taxes and unfair competition from large corporations. If the present trend continues, our cities will become enormous and small towns, little more than ghost towns.

NDP believes there is room for Public, Private and Corporate ownership in our society. Each situation should be studied to see which form will serve the public best. Human welfare is more important than profit.

Mr. Notley warned against Canada joining the Continental Energy Board as this would drain our resources to the United States while this would create jobs for a short period of time, unemployment would follow, he said.

The Constituency N.D.P. Association has not yet decided on a date for the organization meeting but it is expected to take place after spring work is done, possibly in June.

Skating Club Plans Election

The Figure Skating Club will be holding its annual election of officers on Thursday, May 7th at 8:30 p.m. in the Council Chambers. A short business meeting will also be held.

Registrations are now coming in for summer skating school. Forms are available from Mrs. Gwen Simpson or may be obtained at the meeting on Thursday.

Our teacher of the week is Mrs. Audrey Grieb (Grade 5). Mrs. Grieb is a local girl, having taken her education in Violet Grove and Drayton Valley. She took her teacher's training at the University of Calgary. Mrs. Grieb enjoys water skiing and horse back riding. The Griebs have one little girl. Mrs. Grieb is retiring temporarily to await the "arrival of the stork".

Boners: from a Grade 4 health exam: Causes of fatigue -- listening to someone talk to long; being yelled at; too much writing; children shouting; fighting. A passive activity a child in bed can do is -- roll around, fall out of bed.

RAMONA NEWS

Get well wishes go to Gwen Melnyk who is in the local hospital. We hope you will soon be up and around feeling fine Gwen.

Happy birthday to Mr. Verne Woodruff who celebrated his 73rd birthday on April 30th. Three of Mr. Woodruff's daughters were at his home to help him celebrate. They were Ruby and Jack Connely of Edmonton, Evelyn and Walter Eaton of Seba Beach and Mike and Mary Kmyta of Round Valley. All of them brought their families. Also present was Mr. Woodruff's niece, Debbie Norton of Rylie.

On Friday, May 1st Mike and Mary Kmyta celebrated their wedding anniversary and Deanna Davis celebrated her birthday. Congratulations to you all and we hope you had a nice day.

We have good news for all the people who come out to our monthly bingos. We will have a fan in the hall for our bingo this month and we hope no more smoke problems. Our next bingo will be on Tuesday, May 12th with a jackpot of $150.

Congratulations to the bowling trophy winners from this part of the country. Deanna Davis won three trophies in junior bowling and Dixie Davis won one. Then in ladies afternoon bowling, the Alley Ramblers won the high point trophies. Members of the team are Vicky and Hazel Kos, Vicky Romanchuk, Gwen Melnyk and Clara Bush. Deanna and Dixie both have their names on the Grand Challenge Trophy which stays in the bowling alley.

Sharon Blatkewicz is now the proud owner of a 1962 Buick. It is brown with a white top. It will sure be nice for driving home on weekends, as Sharon works in Edmonton. Also driving a 1962 robin-egg blue Buick are Mike and Mary Blatkewicz.

We were sorry to hear that Mr. Reich's garage burned down last week with his truck and school bus in it.

D. V. Highlights

By Mrs. Edith Deby

Mr. and Mrs. Henry Everington were Sunday visitors at the Clarence Dunington's last Sunday. At one time the Everingtons owned the farm that John Mikulin has now. They have lived in Edmonton for several years.

Mr. and Mrs. Ben McIntyre and Mr. and Mrs. Erwin Wiechert visited Mrs. Wiechert Sr. recently. The Wiecherts live in Edmonton and the McIntyres are from Uranium City.

Friends held a house warming for Vern and Gail Bartlett who have recently moved back to the Pembina district. The Bartletts were presented with a lamp and ashtray combination.

Mr. and Mrs. Claude Free welcomed their eighth grandchild this month. She is a daughter for Mr. and Mrs. Michael Twerdochlib of Edmonton.

At last Saturdays whist party at Dunington Hall the winners were Pauline Smithinsky and Ted Tucker, high; and Mrs. Wright and Clarence Dunington, low. The last whist party for the season will be held at the hall on May 16th.

About the worst thing that can happen to a farmer is being unable to work at seed time and harvest. This misfortune has overtaken Sam Domke who has been in hospital for the past three months with a back injury. Treatment has been unsuccessful and we are told that surgery will be necessary.

One of the landmarks of the Pembina district had a very narrow escape last week when it was threatened by fire. The house was built by Walter Harris about thirty years ago and passed to his parents, Mr. and Mrs. Dan Harris, at the time of his death. Recently a Harris grandchild and her husband, Mr. and Mrs. Barry Ness, have gone there to live. A fire started to clean up the yard swept out of control, and would most certainly have destroyed the house had it not been for prompt action by the fire brigade.

C.W.L. Plans Variety Of Spring Events

The C.W.L. met on Monday, May 4th for its regular meeting with Father Lynch and 11 members in attendance.

Final plans were made for the Mothers Day Bake Sale which will be held in Blocks Store on May 8th. The phoning committee will contact all the ladies of the parish and ask for a donation of baking for the bake sale.

The C.W.L. has agreed to set up a booth at St. Anthony's School for their track meet on May 22nd.

The C.W.L. will be holding a social awards night in June. Mrs. Wensley has volunteered to purchase the trophies on behalf of C.W.L.

The organization was asked to host a regional meeting in Drayton Valley on June 14th.

Monday, June 1st the C.W.L. will hold a membership tea. Again all the parish ladies will be contacted by phone and invited to come and hear the works of the C.W.L. It is sincerely hoped that all the ladies of the parish will find it in their hearts the importance and the duty to serve in the parish needs, and to come and meet and get to know your fellow parishioners, which is what the C.W.L. will be concentrating on this coming year.

A motion was made and carried to sponsor Father Lynch at 50¢ a mile in the March for Millions.

The C.W.L. has been taking part in a church visiting program which will be going on throughout the summer, once a month as a body we attend the Sunday morning service in the different churches.

After the meeting mass was celebrated in the church followed by a delicious lunch served by Mrs. Leniuk and Mrs. Mulgrew.

Mrs. Cebuliak gave a brief report of the C.W.L. diocesan convention.

Next meeting is June 1st along with our membership tea.

Curlers Elect New Officers

The new executive for the 1969-70 season of the Drayton Valley Men's Curling Club were elected at the general meeting held April 29th. The new slate of officers include: Bruce Boles, president; Bob McDowell, vice-president; Dale Mayan, secretary; Wes Jacobson, treasurer; Stan Elchuk, lounge; Directors, G. Buckler, T. Coles, R. Pruden, R. Scarlett, R. Knight, and M. Vander Ploeg.

A discussion concerning debentures was held and the presentation of the club championship trophies awarded to the Marshall Vander Ploeg rink.

New Rules on Purple Fuel

The Provincial Secretary announced last week that regulations have been passed permitting purple fuel oil and liquefied petroleum gas sales to farmers without tax at time of purchase. The regulation is effective May 1st.

The farmer will establish his entitlement to tax exemption by signing a declaration on his purchase invoice that the fuel will be used for farming purposes. Purchases made prior to this date will be subject to refund of tax on a revised and simplified form of refund application.

Minor Baseball Starts This Week

The minor baseball program will get underway this week. About eighty boys have registered in the program to date. The one problem right now is that of coaching. We need at least eight coaches to cover all the proposed teams.

The "Little Canadians" team under Allan Baker and Richard McDonald will compete in the Oilfield Minor Baseball League. The other teams representing the town, the Mites, the Bantams under Lawrence Duperron and Fred Duckett and the Girls' and Ladies' Softball teams will be playing in the County of Parkland League. Over and above this we hope to have a league within the town and district at the "Little Canadian" level at least. This league should involve three or four teams. There may also be such a league in operation at the Mite level. Also proposed is a "Tom Thumb" League involving teams from Moon Lake, Entwistle, Tomahawk and Drayton Valley. This would consist of boys six to eight years old. All local boys interested in this level of baseball may register at the Recreation Office at 4:00 p.m. daily. Registrations are also open daily for any and all persons interested in playing Minor Baseball or Girls' and Ladies' Softball. All such registrations should be finalized by May 15th, in order that leagues may be formed and schedules finalized at all levels at the earliest possible date.

Banquet Ends Hockey Season

Drayton Valley Clippers Juveniles concluded their season on May 3rd at the Scout Hall with a banquet prepared by the mothers of the boys.

Roger Bain was selected as the most valuable player and Jim Tucker, the most improved. This was a great tribute to the two players as they were chosen by their fellow team members.

Along with awards presented by Captain Jerry Wilkes, and Assistant Captains Don Whelen and Neil Samis to Mr. W. Rose the sponsor, Coach and Mr. Hayden, a New Coach's Trophy was presented to two mothers who supported the team with loyalty. The ladies missed only two road games all season and attended all home games. Chosen as the inaugural winners of the Clipper Coaches Trophy were Mrs. Laurette Bain and Mrs. Marlene Samis. The ladies received framed certificates with the designation as "Mrs. Ol' Coach".

To all the fans who supported the team during the year, we hope that you come back next year and bring a friend. Thank you for your support.

DATSUN 1600 PICKUP
the most misunderstood truck in the country

We built the Datsun 1600 pickup to be a tough, rugged, no-nonsense, hard-working tool. Fine. A lot of people bought it for just that. But a lot of other people bought it and they don't use it for work. They use it for play.

We put a sturdy 96 horse engine in it because a working truck needs lots of power. We designed it to haul a ton, because a working truck should be able to handle heavy loads. It gets up to 30 miles to the gallon, because a working truck should be economical to operate. And it handles like a nifty little car because there's no reason why a truck that wears like a tank should handle like a tank. We built North America's number-one selling imported truck to work for its living - and they're out there living a life of pleasure.

Where did we go wrong?

Church of God Setting For Wedding Ceremony

The Drayton Valley Church of God was the scene of a lovely wedding when Miss Valarie Rurie Schultz, daughter of Mr. and Mrs. Donald Schultz became the bride of Brian Keith Hendrix, son of Mr. and Mrs. Keith Hendrix, all of Drayton Valley. The wedding was solemnized Saturday, April 18th at 3:00 o'clock with Rev. Donald Snell officiating. Tall white tapers and vases of pink carnations and orchids decorated the church, with vases of red roses gracing the window sills. The wedding music was played by Mrs. D. Snell and Doris Griener, and Shirley Snell sang.

The bride, given in marriage by her father, looked radiant in a white lace Spanish mantilla and a gown of white chiffon and Spanish lace. A lace train fell gently from the back of the dress. She carried a white lace covered Bible with a corsage of red roses and streamers and wore a cultured pearl necklace and earrings, a gift of the groom.

Attending the bride were Miss Gaylene Vig, maid of honor; Miss Carol Schultz and Miss Donna Schultz, sisters of the bride, bridesmaids; and Miss Janice Snell, flower girl. They wore long, empire waist gowns of teal blue satin, trimmed with white velvet complimented by white accessories. Tiny blue buds were tucked in their hair and they carried heart-shaped bouquets of yellow roses.

The groom was attended by Dorsey Schultz, brother of the bride, Kirk Hendrix, the groom's brother and Rod McQuaig. Bert Kennedy was ring bearer. Ushering the guests were Wayne Green and Robert Scott.

For her daughter's wedding, Mrs. Schultz chose a dress-coat ensemble of pale green silk Shantung which featured a beaded neckline. Mrs. Hendrix, the groom's mother, wore a pale blue linen-weave dress-coat ensemble.

Following the ceremony a reception was held in the Elks Hall. The bride's table was centered with a lovely 3-tiered wedding cake, flanked by tapers.

For her going away, the bride wore a dress-coat ensemble of mauve fortrel accented by white accessories and pink corsage.

The young couple will make their home in Drayton Valley

Weekly Livestock Report

Edmonton weekly livestock report for the week ending April 30, 1970 provided by the Livestock Division, Canada Department of Agriculture

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week est.	7050	5950	1100	4400	12
Last Week	6847	5388	1459	4484	50
Same Week (1969)	6001	4765	1236	1672	20

SUMMARY

Receipts were slightly higher this week. Replacement cattle and calves made up approximately two-thirds of the sales. Trade was active throughout on slaughter steers and heifers with prices 25 cents to 50 cents higher on all classes. Butcher cows were under pressure later in the week and closed uneven to about $1.00 lower. Bulls were steady. All replacement classes steady. Veal and butcher calves steady. Hogs uneven. Lambs unchanged but very scarce.

SLAUGHTER CATTLE & CALVES

There was a fair offering of feedlot steers and heifers with over 50% of the total slaughter cattle considered eligible for the Red or Blue brand. The slaughter trade opened on a fully steady basis. There was good action throughout on steers, especially on the clean handyweights with prices 25 cents to 50 cents higher for the week with several lots selling at 32.30 in closing trade. Butcher heifers were scarce throughout with choice, lightweight heifers topping at 30.90 in closing trade. All heifer classes sold a full 25¢ higher for the week. Heavier weight steers and heifers continued to be discounted 50¢ to $1.00. The cow trade was active until mid-week with prices up to 24.25 for good cows, however local demand dropped and cows sold uneven to a full $1 for the remainder of the week, with very few sales over 23.00 in closing trade. Bulls fully steady with the odd sale to 26.40. Veal and butcher calves were scarce throughout and sold steady with last week.

REPLACEMENT CATTLE & CALVES

Yearling steers and heavy calves again made up the bulk of the feeder sales. The good growthy yearlings met a good demand with those carrying considerable finish being discounted. Heavy feeder steers (850-1000 lbs.), although not as abundant, sold at steady prices. Feeder heifers, stock cows, and stock calves continued to sell readily at steady prices.

SHIPMENTS

Out of province cattle shipments last week were: East, 90 slaughter and 200 feeders. B.C. 290 for slaughter. Export 25 slaughter. Saskatchewan 55 feeders. Feeders to southern Alberta areas 1850.

BANQUET CLIMAXES SEASON FOR BANTAM LEAGUERS

All of the Drayton Bantam Hockey Players from the L.B. Motors, Bambee Apollos and the Burrow Motors Challengers teams combined for a buffet style banquet on April 21st at the Legion H all. There were 150 parents, hockey players and coaches in attendance.

The banquet started with grace being presented by Michael Gormley, Recreational Director, Drayton Valley.

After the delicious meal the MC for the evening, Tom Hutton, introduced the head table guests, His Worship Tom Johnson, Mayor of Drayton Valley; Speaker for the evening, Mr. Doug Hall and Mrs. Hall; Mr. Cece Armstrong, Commissioner of the Hi-Way 16 West Hockey League; Mr. Michael Gormley, Recreation Director D.V.; Mr. and Mrs. Roy Burrows, sponsors of the Challengers; Mrs. Elsie Kazoleas sponsor of the Bambee Apollos; and Mrs. Les Brown, sponsor of the L.B. Motors and Mrs. Tom Hutton.

His Worship, Tom Johnson brought greetings and best wishes from the Town of Drayton Valley and commented on how pleased that he and the town administration was on the growth and improvement of our minor hockey program.

President of the D.V. Athletic Association, Mr. Barry Richer, was next on the program and commented on the role of the association in our minor hockey program and how pleased the association was with the program and that we still had room for improvement.

Mr. Doug Hall, Physical Education instructor at the Frank Maddock High School and a member of the local Rebel Hockey Club was introduced and gave the main address of the evening. Mr. Hall told the boys of some of his early experiences in hockey in Saskatchewan and Northern Alberta. He recalled playing on the river ice and having to be careful with passing the puck on one side because of an open channel in the river. He told of one coaches idea of conditioning was to run through snowbanks and many other interesting and amusing anecdotes. He closed his talk with a summary of the many good things that hockey can bring into a players life, especially to travel and meeting of people and formation of friendships.

Next came the exciting part of the evening for the boys, the introduction of coaches and teams, also the presentations of the individual trophies. Mrs. Elsie Kazoleas presented the Bambee Apollos trophies. Zane Reinhart received the Most Valuable Player award; Bruce Harrison received the Most Sportsmanlike Player award; and Donald Omit received the Most Improved Player award. Zane Reinhart presented Mrs. Kazoleas with a gift from the team to show their appreciation for her sponsorship of the Apollos. Mrs. Les Brown made the presentation of awards to the L.B. Motors Tigers. Wayne Halldorson was presented the Most Valuable Player award; Tommy Sharkey received the award for the Most Sportsmanlike Player and Jimmy Fulks was presented the Most Improved Player award. Norman Jevne presented a small token to each of the coaches, Mr. Gary Haack and Ken Halldorson and thanked Mrs. Brown for their sponsorship. Mr. Roy Burrows expressed his thanks to the Challengers for their representation and sportsmanlike conduct this season and he was proud to sponsor such a team. Mr. Burrows then presented the trophies to the Challengers. Bruce Hutton was the winner of the Most Valuable Player award; Ron Bartek was presented with the Most Sportsmanlike Player award and Kevin Reich was named the Most Improved Player. Mark Hutton presented the team sponsor, Mr. Burrows with a small token of the team's appreciation for his sponsorship. Dean Samis and Kevin Reich each presented the coaches Mr. Barry Richer and Mr. Allan Baker with a small gift.

Mr. Cece Armstrong, Commissioner of the Hi-Way 16 West Hockey League, presented the League and Play-off trophies to the Burrow Motors Challengers Captain Mark Hutton and Assistant Captain Dean Samis. Mr. Armstrong then presented Mark Hutton with a trophy for being the top scorer in the regular season of the league, he also presented the Challenger's goalies, Bert Duperron, Russell Redlinger and Ben Coppens with trophies for having the lowest goals against average in the league. Mr. Armstrong commented that if all the boys in our minor hockey program showed the same brand of sportsmanship and desire as our representatives in the Hi-Way 16 League that we had one of the healthiest programs in this end of the province.

MC Tom Hutton closed out the evening by expressing thanks for the boys to parents, coaches, sponsors and all other people who had a hand in making the hockey program a success and a special thanks to Michael Gormley, without whose endless hours of work and dedication our entire recreation program for the youth in our community would collapse and be a failure. A very enjoyable evening was had and a finish to a good hockey season.

L.B. Motors Tigers award winners are shown here From the left, Wayne Halldorson, Most Valuable Player award and Tommy Sharkey, Most Sportsmanlike player award.

Trophy winners on the Burrows Motors Challengers team are shown above. Guard Against Blackleg in Spring

Annual vaccination in the spring of all cattle between six months and two years of age is strongly recommended on farms where blackleg has previously occurred. The heavy financial losses sustained each year by cattle producers in Alberta and other parts of Canada could be greatly reduced if this practice were followed, says Dr. D.W. MacDonald of the provincial Veterinary Services Division.

He explains that blackleg is a very infectious soil-borne disease which usually occurs in the spring and summer. "True" blackleg is caused by a single microscopic organism, while "false" blackleg, or malignant oedema, may be caused by one of three distinctly different micro-organisms.

Inflammation of the muscles and a high mortality rate are typical symptoms of "true" blackleg. The disease develops very rapidly and the animal dies within 12 to 36 hours after the first symptoms have appeared, says Dr. MacDonald. The first indication of blackleg is often one or more dead animals in the field. If a sick animal is seen before it dies, it will usually be very lame in one leg and have pronounced swelling in the upper part of that leg. At first the swelling is hot and sore, but it soon becomes cold and painless. Although the swelling is generally confined to the upper part of the affected limb, it also may occur in other parts of the body.

Dr. MacDonald recommends vaccinating three-week old calves when the incidence of the disease is high in a particular area. If vaccinating is done during an outbreak of blackleg, deaths may continue for some days after the vaccine has been administered because immunity takes about 14 days to develop. To prevent soil contamination, carcasses of all animals that have died from this disease must be burned or buried deeply in the ground.

Dr. MacDonald stresses that cattle producers who suspect blackleg should immediately consult their veterinarian for an accurate diagnosis and information on treatment. Treatment is rarely successful unless started very early in the course of the disease.

Waltons Visit

Mr. and Mrs. Al Walton of Lethbridge visited this week with their son-in-law and daughter, Mr. and Mrs. Kevin Goble and renewed acquaintances in town. Mr. Walton formerly operated Al's Sports Shop.

Mr. Walton says they are enjoying retirement and life in Lethbridge. His retirement to date, however, has been rather busy having worked through the winter with the Lethbridge Curling Club.

Mr. and Mrs. Walton are now looking forward to spending some of the summer at their cabin at Beauvais Lake, west of Pincher Creek.

THANK YOU

We would like to express our heartfelt thanks to the Clipper Juvenile Hockey Club for the thoughfulness you expressed with your gifts to us and our children.
The Haydey family.

I wish to express my sincere appreciation to Dr. Waugh and Dr. Cookson, also all the staff of the Drayton Valley hospital for the care, kindness and medical assistance.

Many thanks for the lovely flowers and cards and for all the people who visited me during my recent stay in hospital.
Jay Hazzard p

I would like to take this opportunity to thank my committee, Mrs. Samis, Mrs. Duperron, Mrs. Reich, Mrs. Selin, Mrs. Coppens and Mrs. Tucker for all their assistance in making this banquet for the Bantam Hockey teams such a success. Also to all the mothers who helped prepare the food and the sponsors for the turkeys.

Thank you.
Mrs. Herbertta Hutton.

We wish to thank all those who worked so hard to fight the fire at our home on Thursday.
Rudolph and Alma Reich.

The Drayton Valley Five Pin Bowling Association would like to thank the following merchants and business men of Drayton Valley who sponsored trophies for the 1969-70 bowling season:- Electrical Contractors, Cynthia Construction, Anchor Construction, Blocks Store, Janzens Auto Body, Tastee Freeze, Stedmans, Henry Metzger Welding, Budell Sales and Service, Crown Lumber, Kwik Kleen, Getzingers Supermarket, Marnel's Ladies Wear, Gulf Service, Don McKenzies Mens Wear, McMillans Auto Body, Twilight Bowl, D.V. Ford, Drayton Valley Hotel, Coin Electric, Derrick Supply, Hudson Bay Co., U.F.A. Co-op, Ray's Shoe Repair, Northern Video Sales, and Mcleods Store.

PRIZE WINNER

Brian Meaney of Edmonton, grandson of Mr. and Mrs. Tom McKittrick of Alsike, is shown here with the 12½ pound Hersey bar he won in a recent contest. Brian also won a Polaroid camera in the same contest.

Missionary Town Visitor

Rev. J.A. Johnson, brother of Mayor Tom Johnson, was a Drayton Valley visitor last week. Mr. Johnson, who has spent the last 12 years in India, will remain in Canada for about a year.

He was the founder of the Berean Baptist Bible College in Bangalore, India, and served as its principal for 11½ years. Bangalore is a city of 1,000,000.

Mr. Johnson left here for Camrose, headquarters for the International Biblical Baptist Fellowship, and will spend the rest of the year travelling throughout the country for missionary meetings, rallies and conferences.

Mrs. Johnson is presently visiting at her home in Manitoba.

THANK YOU

I would like to thank my relatives, neighbors and friends for the cards and flowers I received; and to the doctors and nurses at the Edmonton General Hospital for their help and kindness during my months stay.
Mrs. Roy Teeter.
